  - 2-1-1 FYI
- PCMH Metric and Designation Meeting Follow-up
  - PCMH, CoCM and or ACP designation certificates will be sent to the practice soon!!
  - Reminder 2-year designation cycle
  - Lots of CoCM interest
    - Group Webinar?
  - Anything else?
- Care Manager Fall Trainings
  - Did your office have Care Managers take trainings in the spring?
    - Patient engagement is a great opportunity! And to learn NPO focus!
- RPM Success Story
  - RPM thoughts?
- !!! PCMH Annual Educations & Other Annual tasks (Pat Sat Survey etc.)- MAKE SURE THEY ARE COMPLETE !!!
  - Engagement opportunities at the end of PCMH requests

### **Meeting Topics**

- HCC Recapture
  - Best Practice
  - What about patients who only come in the office once a year? And maybe for an acute visit?
- Care Management
  - Reminder: Care Plan for Care Management Templates with Billing Cues
  - TOC and ADT
    - Reminder: Post Discharge Materials (Pone scripts, Medication Charts and Tips)
    - After BCBSM 1% target is met, TOC and Med Red codes counts towards Care Manager targets helping to meet the 4% target.
      - Doable with MA
      - Its worth having someone do these calls!
        - #1 good for the patient
        - Decreases health care spend
        - · Opportunity to increase practice revenue
          - Multiple VBR opportunities
            - CoCM, APC, Population Management( 4% target), My PDCM initial engagement (1% target), PaMPM payments

### **Meeting Topics**

- Health Focus Reports
  - Has the practice worked their all their required registries for the year?

| PCMH Capability                                     | Health Focus Report Name      |  |
|---|-------------------------------|--|
| 2.1 Diabetes Registry                               | PCMH Diabetes                 |  |
| 2.10 Asthma Registry *New 2.30 COPD                 | PCMH Asthma and COPD          |  |
| 2.11 Coronary Artery Disease                        | PCMH Coronary Artery Disease  |  |
| 2.12 Congestive Heart Failure                       | PCMH Congestive Heart Failure |  |
| 2.13 Registries Containing 2 other Conditions       | PCMH Hypertension             |  |
|   | PCMH Hyperlipidemia           |  |
|   | PCMH Depression               |  |
| 2.14 Preventative Services Registry                 | PCMH Adult Preventative       |  |
|   | PCMH Well Child Care          |  |
| 2.16 Chronic Kidney Disease                         | PCMH Chronic Kidney Disease   |  |
| 2.17 Pediatric Obesity Registry                     | PCMH Pediatric Obesity        |  |
| 2.18 Pediatric ADD/ADHD                             | PCMH ADD and ADHD             |  |
| 2.19 * If Care Managers are assigned to patients in |                               |  |
| Health Focus the practice can choose to have them   |                               |  |
| in the reports listed above                         |                               |  |
|   | 0                             |  |
